SUMMER EDITION 2025

Time for Sun!

BRING ON SUMMER

We're so proud to have completed our latest range of lodges. Designed with comfort and connection in mind, this year we have brand some new lodges available to make your stay as relaxed as possible.

The sunshine's out, the goats are feeling cheeky and the woods are buzzing with life - It must be summer at Hay's Wood Retreat.

Whether you've just come back from a stay or you're dreaming of your next escape, we're so glad you're part of our little woodland family.

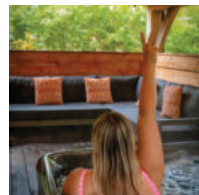

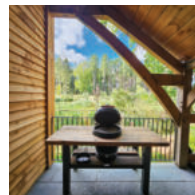

So grab a cold drink, kick back somewhere shady and catch up on what has been happening behind the gates of our hidden little oasis. You might just find a reason (or three) to come to Hay's Wood Retreat this summer.

We can't wait to welcome you.

Hay's Wood Retreat Team

Hot Tub Lodges - Private tubs, lakeside views, private egg BBQ and space to relax. Perfect for soaking under the stars and letting summer do its thing.

Accessible Lodges - Although these do not have Hot Tubs, these are newly completed and thoughtfully designed with wider spaces, carer friendly layouts, accessible bed, hoist support, hand rails and more. These lodges hope to create a more accessible haven for all of our guests.

Smooth Rollin'

We've been working hard at improving Hay's Wood Retreat for all our guests and that has included upgrading our roads! All of our internal roads have now been resurfaced, making it easier than ever for you to get to your lodge.

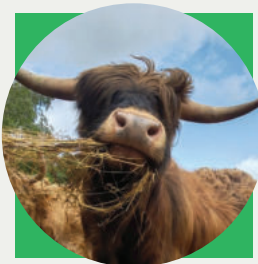

We've also added some speed aids to make sure all of our on foot guests are able to feel safe when navigating around the park.

Animal Additions

We have some brand new additions to our Hay's Wood Retreat family. Head over to our Highland fields and you'll be able to meet our very handsome Highland, Hector. He's already become quite a favourite at the retreat.

And joining our growing animal family are our two curious Rhea. With their long legs, fluffy feathers and quirky personalities we're sure they'll soon become a guest favourite.
